

# ANA'S GREAT DAY

By Linda Owens

It was a Tuesday morning in April. Ana got up early and was wearing her new blue skirt to school that day. She really liked that skirt and had new shoes and a new shirt, too. She went in the kitchen and could smell bacon cooking. She loved bacon in the morning. Her dad was cooking bacon and toast that morning. Ana's mom is a teacher, and was getting ready for school. Ana was excited about today. They were taking a test to see how much they had learned in second grade. She couldn't wait to get to school, and Ana sharpened her new pencils for the test. She was going to do her very best on that test. Ana loved school and liked to make good grades.

Ana had her breakfast and her mom drove her to school. Ana was so excited to be there! She went straight to her classroom and found her teacher already there. It was fun to be in Ms. Browner's class. She was a great teacher. Ana was so happy! Soon her classmates arrived. Ms. Browner called roll and they began to take the test. Ana remembered all the things her teacher had taught her that year and tried very hard to do everything right on the test. After the test was over, the class played outside for a long time and ate lunch. They watched a funny movie and drew pictures until time to go home. It was a great day!
