

An Egg Is An Oval

by Sandy Kemsley

An egg is an oval,
not square or round.

An egg is an oval,
It can roll on the ground.

An egg is an oval,
not long or straight.

An egg is an oval,
now color it
as we wait!

An egg is an _____, not square or

_____ . An egg is an oval. It can roll

on the _____ . An egg is an oval,

not _____ and straight. An egg is an

oval. Now _____ it as we wait!
