

0 Conditional

if clause

result clause

if something happens
simple present

result is predictably true
simple present

If I have time,

I watch TV after dinner.

If you heat water to 100 °C,

it boils.

If I keep my room clean,

my mom lets me watch TV.

* "if" can usually be replaced by "when"

* Also possible: "If you heat water to 100 °C, it *will* boil."
