ASSEMBLY INSTRUCTIONS:

1. Gameboard: Fasten the above label to the front of a file folder. Fasten pages 2 & 3 (kites with tails) on the insides of the file folder. Laminate.
2. Game pieces: Cut out the kites without tails on pages 4 & 5. Laminate.
3. To store game pieces, place them inside closed file folder. Fasten sides of folder together with paper clips or report cover spines (cut to fit), or attach Velcro inside file folder to keep sides closed.

GAME PLAY

Match the game pieces to the correct numbered kites on the gameboard.
