Bunny Mask

What you will need:

9 or 10" paper plate
White construction paper
Pink construction paper
Adhesive: school glue or glue stick
Scissors
Crayon or marker
Yarn
Hole punch

1. Cut eye holes in plate.
2. Cut two long ears from white construction paper.
3. Cut the inside of the ears and the nose from pink construction paper.
4. Glue ears and nose as shown in photograph.
5. Draw on mouth.
6. Hole punch two holes in sides of plate. Tie pieces of yarn on to plate.
7. Have child put mask on and tie yarn in back of their head.

Have fun with this quick and easy mask.
