Camouflage Pencil Holder

Make this fun pencil holder for your desk in any color set you want. Can you envision a classroom full of these pencil holders in all different color sets?

What you will need:

Frozen orange juice container; clean and dry
Acrylic paints in 3 or 4 shades of one color
Paintbrush

1. Paint the outside of the orange juice can with the lightest shade of paint. Let dry.
2. Paint “blobs” on the orange juice can in the other two shades. Let dry.
