

MILK CAP SPIDER

Materials Needed:

- One milk cap,
- black pipe cleaners,
- two small wiggle eyes to fit on milk cap,
- black acrylic paint,
- paint brush,
- thick craft glue

Directions:

1. Paint the milk cap black.
2. Let dry.
3. Cut eight 3" lengths from black pipe cleaners.
4. Glue four legs on opposite sides of the milk cap.
5. Shape into spider legs.
6. Glue eyes on body.
7. If you want, tape a string to the top of spider and dangle.
