

Construction Paper Chalkboard

Materials Needed:

- black construction paper,
- Elmer's Glue, paint brush,
- cardboard,
- chalk,
- rag or an old sock

Directions:

1. Cut out black construction paper into any shape you want, i.e. animal shape, square, rectangle.
2. Glue construction paper onto cardboard.
3. Let dry.
4. Trim cardboard to fit shape.
5. Completely paint the construction paper with Elmer's glue.
6. Let dry thoroughly. Add decorations to your shape, such as eyes and nose for animals, or decorate the borders.
7. Write or draw with chalk and erase with rag.
