

Paper Plate Masks

Materials Needed:

- paper plates,
- crayon or markers
- cotton balls
- yarn, pipe cleaners (optional)
- cardboard wrapping tube or popsicle stick, glue

Directions:

This part is for adults to do.

1. Cut out two circles for the eyes.

Then:

1. Let child draw the features on the plate, nose, mouth.
2. You can use cotton balls or yarn for hair, beard, eyebrows.

The possibilities are endless.

Make an animal or a creature.

When done decorating your paper plate, tape a cardboard wrapping tube to the back for a handle.

You can also use a chopstick, dowel, tube from a hanger or a Popsicle stick.
