

POTATO HEADS

Materials Needed:

baking potatoes

clay or play dough

toothpicks

jar or container to stand the potato in

more decorations for more features: steel wool, ribbons, felt, buttons, etc.

Directions:

1. Wash and scrub potatoes.
2. Make eyes, nose and mouth with clay or play dough.
3. Take a toothpick cut in half and place it through the play dough and into the potato to affix the facial features.
4. Use the other decorations as available: steel wool or yarn for hair; bows, ribbons or felt pieces for accessories.
5. Stand finished potato in a jar or container.

You can make a whole family of potatoes!
