

PUMPKIN PIN

Materials Needed:

- Small pieces of orange, black and green craft foam
- “googly” eyes
- pin back or safety pin
- heavy craft glue

Directions:

1. Cut out a pumpkin shape from the orange craft foam.
2. Cut a stem from the green craft foam and glue onto top of pumpkin.
3. Glue googly eyes on
4. Cut out a mouth and nose from the black craft foam. Glue these onto the pumpkin shape.
5. Glue a pin back or safety pin on the back.

Variations:

- Use white craft foam and make a ghost pin.
