ASSEMBLY INSTRUCTIONS:

1. Game board: Fasten the above label to the front of a file folder. Fasten pages 2 & 3 (caterpillar) on the insides of the file folder. Laminate.
2. Game pieces: Cut out the fact cards on page 4. Laminate.
3. To store game pieces, place them inside closed file folder. Fasten sides of folder together with paper clips or report cover spines (cut to fit), or attach Velcro inside the file folder to keep the sides closed.

GAME PLAY

Match the game pieces to the correct numbers on the caterpillar game board to solve the math facts.
