

HALLOWEEN RECIPE

Spooky Batwiches (bat shaped ice cream sandwiches)

What you'll need:

1 package refrigerated chocolate* cookie dough
1/2 gallon vanilla ice cream
Orange and black nonpareils sprinkles)

Directions:

Shape dough into bats or use a cookie cutter.
Bake at 350F for 12-15 minutes; let cool completely.
Spread tops with softened ice cream.
Loosely cover and freeze for about an hour or until firm.

Remove from freezer and roll the edges in the black and orange nonpareils. Shake off excess.
Serve immediately or cover and return to freezer until time to serve.

**If chocolate cookie dough is not available, use plain sugar cookie dough and add: 1/2 cup unsweetened cocoa powder and 2 tablespoons all-purpose flour*
