

On the Go cards

On the Go cards are a great way to keep small hands busy and young minds learning when away from home. Keep sets in your car, bag, or purse so they are always on hand. Take sets with you in the grocery store, clothing store, etc., to build vocabulary and reinforce spelling.

Assembly:

1. Print cards on card stock and laminate.
2. Cut out the cards and punch a hole in the upper left corner of each card.
3. Place the cards on a ring or keychain.
4. Mix and match sets to make your own custom set.

Suggestions for Use:

- Use the cards as a treasure hunt and encourage your child to find the object on each card.
- Point out an object and ask the child to find that card and spell the word.
- Use the blank cards below to make your own. Create a set with the child's name, phone number and address to practice while in the car.
