## CHINA ALLITERATIONS

**Alliteration** is what happens when the words in a phrase or a sentence begin with the same letter and sound. Alliteration is used to make writing more interesting. It is also used to write tongue twisters.

Here is an example of an alliteration using the word **CHINA** and its beginning **CH** sound:

Challenging games of Chinese checkers  
Can change chumps into champions.

Many times the alliterations and tongue twisters are funny. Try your hand at writing alliteration. Use a dictionary to help you find words.
