

SCARECROW FUN

YOU WILL NEED:

pipe cleaners
scraps of material scraps
pieces of hay, straw, or yarn
one small Styrofoam ball
1 paper or Styrofoam cup
Dirt
A couple of bean seeds.

DIRECTIONS:

For Scarecrow:

1. Use the pipe cleaners to form a torso, arms, legs, and neck.
2. Stick Styrofoam cup onto the neck.
3. Attach hay (straw or yarn) to the ends of arms and legs. You can use string or glue
4. Use the material to add clothing and a hat.
5. Draw on a face with markers.

For Plant:

1. Fill the cup halfway with dirt.
2. Put in two or three bean seeds.
3. Fill with more dirt.
4. Water and place in sunny area.
5. Continue to water as needed.
6. Stick the Scarecrow into the cup. Watch the plant grow around it.

**For extra fun: glue a small picture of a crow onto a long pipe cleaner and stick it into the dirt.
