

Hyperbole

Hyperbole is using exaggeration for emphasis. Hyperbole is used to make writing and speaking more interesting.

He was so big, he used a tree trunk as a toothpick.

His brain was the size of a small ant.

Her shoes looked like two boats.

Some hyperboles are so common, they have become clichés.

I was so hungry I could eat a horse.

Hyperbole is often meant to be funny. Try your hand at writing some hyperboles.
