

# Clothes Hanger Tennis

Materials needed:

- Balloon
- Two wire coat hanger bent into an oval shape
- One pair of old pantyhose.

Directions.

1. Bend coat hangers into oval shape
2. Cut pantyhose in half
3. Put one leg over one coat hanger and tie a knot at the end
4. Do the same for the other coat hanger

The coat hangers become tennis rackets.

Blow up balloon and use as a tennis ball.

This is great fun to play and can be played in the house without breaking anything.

Variation:

Instead of tennis, you can play volleyball and hit the balloon to other people keeping it in the air as long as possible.
