An outline of an apple with a stem and a single leaf. The apple's body is a large oval with a wavy bottom edge.

This is a sample
shapebook. Type
your text in the
shape, cut it out,
staple it together
and you have a
shapebook!

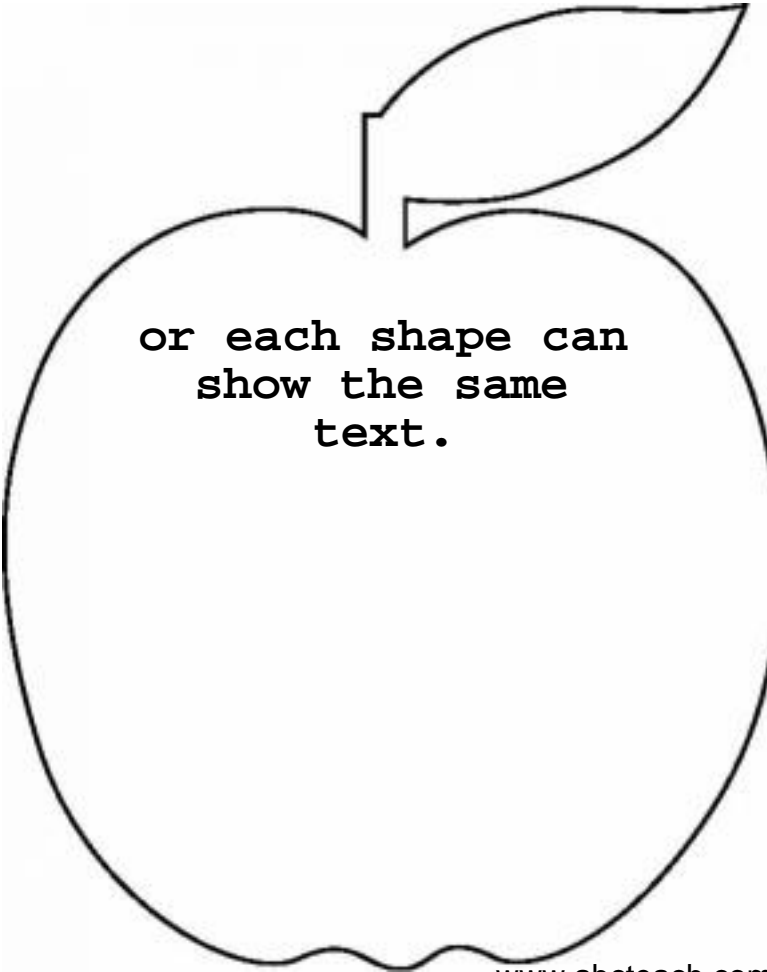

Many shapes are
available.

An outline of an apple with a stem and a single leaf. The apple's body is a large oval with a wavy bottom edge.

It is possible to
have more than one
shape print on a
page.

An outline of an apple with a stem and a single leaf. The apple's body is a large oval with a wavy bottom edge.

When you print
more than one
shape on a page,
each shape can
show new text,

An outline of an apple with a stem and a single leaf. The apple's body is a large oval with a wavy bottom edge.

or each shape can
show the same
text.
