

All The Penguins

(Sung to: *Oh My Darling Clementine*)

C
They are playing on an ice patch,
C *G*
They are jumping in the sea.
F *C*
All the penguins are together,
G *C*
Having fun so playfully!

C
There are big ones, there are small ones,
G
And then some are in between.
F *C*
But they're having fun together,
G *C*
Where the air is cold and clean.

C
When they walk they kind of waddle,
G
Back and forth from side to side,
F *C*
Playing in the cold Antarctic,
G *C*
They would never come inside!

C
It is in that cold Antarctic,
G
That's the land that they call home.
F *C*
Full of snow and icy water,
G *C*
From that cold they will not roam!
