

Hanging Easter Decorations

Materials:

- white computer paper
- colored pencils
- needle
- thread

Instructions:

1. Print out pattern page (below) on white computer paper.
2. Color the front and back side of each picture with colored pencils.
3. Cut out each piece.
4. Cut a four inch piece of thread for each piece.
5. Poke a hole in the top center of each piece with the needle and insert thread through hole. Hold thread ends together, and tie a single knot.
6. Repeat with each piece.
7. Hang on tree.

Follow [Making a Tree](#) page instructions to make your tree to hang your Easter decorations on it.
