

# Paper Roll Pals – Assembly Instructions

## Materials Required:

Printout of a paper roll pal

Crayons, markers, or colored pencils

Scissors

Glue

1 toilet paper roll - \*optional

*\* To make this project without a toilet paper roll: print “paper roll pal” directly onto on cardstock or heavy paper, roll up body, and glue together along the edge.*

## Instructions:

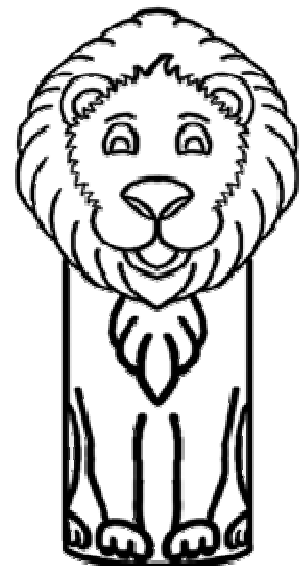

1. Color head and all of body inside gray lines.
2. Cut out head. Cut out body along gray lines.
3. Spread glue on back of body, lay paper roll on it (lining up the edges) and wrap body around paper roll.
4. Glue head above front legs – bottom part of head should cover about 1 inch of paper roll.
5. Optional Pencil Holder: Cut out a 2 inch square of cardboard. Glue to the bottom of the finished Paper Roll Pal.
6. Optional Puppet: Put the Paper Roll Pal on your fingers, or glue a popsicle stick to the roll, so that it sticks out the bottom for a handle.
