### **Recycled Bird Feeder**

What you will need:

Old plastic bowl  
¼" hole punch  
String or yarn  
Paint markers; variety of colors  
Sandpaper

1. Lightly sand the outside and inside of the bowl.
2. Use the hole punch to punch a hole about ¼" to ½" from the top on each of the 4 corners.
3. Use the paint markers to decorate the inside and outside of the bowl as desired. Let dry.
4. Take 2 long pieces of string or yarn and tie to the bowl at opposite corners. Hang from a tree branch.
5. Fill partially with bird seed or water. Make sure to refill on a daily basis.
