

PUMPKIN PENCIL TOPPERS

This is a cute and simple Halloween gift idea. A class can give a set to another class; students can make several to give to their friends; these can be handed out as Halloween treats...

Materials Needed:

- Large wooden beads (with openings big enough for a pencil to fit into)
- orange acrylic paint
- fine-line black marker
- pencils

Directions:

1. Paint the beads orange and let dry thoroughly.
2. Use the fine-line black marker draw the eyes, nose, and mouth of the pumpkin.
3. Slide the bead over the top of the pencil.
