

Leaf Prints

This is a fun project you can do spring, summer, and fall.

Go outside and collect some leaves.

You can make rubbings. OR...do the following:

You will need:

- Newspaper
- White paper
- Tempera paint
- Leaves

Directions:

1. Spread out your newspaper on a table or floor.
2. Roll up your sleeves.
3. Pick a leaf from your collection and find the side where the veins are raised.
4. Paint the leaf.
5. Press the painted side of the leaf on the white paper. Spread the leaf flat.
6. Carefully lift the leaf.
7. Repeat as often as you want.
8. Lay on paper to dry and clean up your mess.
